## From the Administrator:

Dear Parents and Students,

Monday is the beginning of Achievement Testing in grades K-8. It is important for children to get enough sleep and to eat a good breakfast so they can think and perform their best. Please be on time and try to avoid having your child absent from school.

The School Calendar for the 2009/2010 school year is now on the web site. Please remember that this is not the full calendar of activities. Events will be added in May so be sure to check back for further details.

Tomorrow evening the "Music Machine" comes roaring to life and the K-6 students are ready to perform for you. The "Machine" starts at 7:00 pm.

The Lutheran Center was the recipient of a \$7,500 grant from Thrivent Insurance Company for the replacement of the lighting fixtures in the main hallway. The Facilities Management Board has scheduled a work day on Saturday, May 9<sup>th</sup> to replace the old fixtures with more efficient ones. If you can help with this project it would be greatly appreciated.

The end of the school year is quickly approaching and so is the deadline for the reduced tuition amount that was offered in February. If you have not enrolled for the 2009/2010 school year, now is the time to do it. Your enrollment fee can be charged to your account and will appear on your June 1 statement.

See you at the Music Machine Friday night, and enjoy the beautiful May days!

Mr. Brosz

President's Challenge Mile Run  
 Thank you to all of our parents who  
 came and helped with the mile run!  
 Your help is most appreciative!
