Pastor Morner shared his adventure of driving up the Alcan Highway over Spring Break, only to arrive home and find out that Mrs. Morner was sick.

The story was to remind us of how God watches over everyone and keeps us safe.

Parents, you are always welcome to join us for Chapel on Wednesdays at 9:10 am in the MPR.

Early enrollment for the 2009-2010 school year is going on now. If you have questions or concerns about the new tuition schedule or the transition to a higher tuition please contact me. Thank you to the several families who have spoken with me regarding tuition over the past few weeks. We are able to help all currently enrolled students attend Anchor this fall, so please take the time to read Mr. Bowlby's letter of explanation in the re-enrollment packet.

This Saturday several members of the faculty and staff will be at the BP Energy Center for the Alaska Association of Independent Schools' Fair. We will be using our new, attractive display board this year. We were able to purchase this board through funds that were raised at our fall Auction.

Miss Anna Bierce has accepted our Call to be our new First Grade Teacher in the Fall. Miss Bierce will be replacing Mrs. Behnken who is retiring at the end of this school year. We look forward to having Miss Bierce as part of our Anchor Family.

The President's Physical Fitness Challenge begins next week with the indoor portion of the activities. Mrs. Dirksen can always use adult help so please check the sign-up sheet in the school office or call the office to volunteer.

Have a blessed, restful and fun weekend!
